Hello and Welcome to PAA!

We are a family of staff and faculty dedicated to creating high quality performing arts experiences for students ages 3 to adult. With year-round programming including classes, workshops and performance experience opportunities, we welcome students of all levels, from those new to the performing arts through advanced practitioners.

At PAA, we put values into action, activating and applying concepts such as leadership, creativity, and compassion through artistic participation. The student’s contribution to a collaborative whole is important for personal growth and for developing active citizenship in our connected world. The performing arts is not, as we look at it, about making stars or focusing on the actors alone. It takes a whole circle of community to make a theatrical story come alive. Each person’s contribution is critical for the experience to succeed. That includes those backstage, onstage, and in directorial, chorographical, management, design, and technical positions. The applause at the end is for every person who participated in the creation, including those who are not visible to the audience.

Understanding the importance and power of collective achievement provides a framework for the individual to thrive, succeed, and celebrate personal and group growth. Through standing with others in a circle of community, we understand individuality in equality. Together, we become more than we are alone, and together we learn how this world needs all of us to bring our stories to life.

We are glad you are here, welcome!

A home is not a home because of its room dimensions or the color of its walls. It is about how you feel when you walk through the front door. And the way you can instantly envision your life unfolding there.

This is more than about real estate, this is about your life and your dreams.

Many families are finding that their dream home is no longer working, especially during a pandemic! People are needing more office or "flexible" spaces. My team is ready to help you sell your home at top dollar and find something that will work for you today and into the future.
