BEAUTIFUL LUXURY HOMES BY KELLER WILLIAMS

A home is not a home because of its room dimensions or the color of the walls.
It is about how you feel when you walk through the front door.
And the way you can instantly envision your life unfolding there.

This is about more than real estate. It is about your life and your dreams.

Notes from our Artistic and Executive Directors

Theatre brings people together. It is an art form where we share joy, laughter, hard work, collective achievement and - perhaps most importantly- a sense of togetherness. Through classes and rehearsals, our participants are asked to be daring and bring themselves fully to the practice, while working hard and having fun. The world needs every person to show up in the fullness who they are, and we encourage each individual in our programs to positively reach further than what they think they are capable of, in a safe, supportive, story-enriched environment.

Making theatre is a life-long love of mine, one that brings amazing people into my life, and gives memories by the score to treasure.

A huge wish of mine is for universal cultural access, including the dream that everyone would have an opportunity to engage in the collaborative, creative, thoroughly unique art form that is theatre. When we create together, we understand each other, and storytelling is an ancient form of co-creation. So, let's now gather together and hear a story....

- Hilary Adams, Artistic Director (hilary@paacolorado.org)

Welcome to this performance of the Wizard of Oz: Young Performer's Edition! It's been a great few weeks of classes, rehearsals, and just plain fun! Since 2006, PAA's mission of creating character building moments through the transformative power of performing arts education has been an energetic drive towards our vision. By offering a creative alternative for children and youth in a time of declining support for the performing arts, PAA continues to serve communities through high quality programming, educationally sound performances and class opportunities for students of all backgrounds, socioeconomic status and abilities supporting their overall character development. In order to meet the challenge of growth and accessibility, PAA raises 45% of its budget through donations, grants and sponsorships to make programming possible for the children and youth in our community. Your presence and advocacy is greatly appreciated tonight! If you would like to help PAA advance its mission and vision, please contact me to be part of the PAA family!

-Dr. James Ramsey, Executive Director (drjim@paacolorado.org)
